Tour Description

In Japan, it says “Do not say fine without seen the Nikko”.

Nikko is a beautiful mountainous area with rich nature. Breezing waterfalls, bluish lakes and lush landscapes of Nikko will bring you the finest feeling of nature. We have arranged this Nikko day tour to give you the best experience of rich nature. The tour included World cultural heritage site of Nikko Toshogu shrine, opened for public recently after major refurbishments. “I do not know · I do not say · I do not listen” world famous three wise monkeys will witness there. You will also enjoy Kegon Falls. Kegon Falls is the most famous among famous 48 waterfalls of Nikko and it is one of the three main waterfalls in Japan. You will be amazed at the splendid beauty of the landscape and the splashing water falling from 97 meters height. Next, the mount Akagi which is fought over lake Chūzenji and Senjo-ga-Hara plateau is a famous hiking trail. The lake Chūzenji has created 20,000 years ago when Mount Nantai erupted and blocked the river. Now the lake and the mountains are an eye-catching landscape which you will be loved to see. The Senjo-ga-Hara plateau was once a Lake and now became a beautiful plateau of 400 hectares of seamless beauty. In all these places you will enjoy the birds viewing and over 350 unique plant types which will boost your experience.

The tour will be started at 08:30 hours from Omiya station, East exit. You will enjoy the lunch served on the bus. It is scheduled to arrive back at Omiya station East exist at 19:00 hours. Even you have visited Nikko before, you may feel a difference since Nikko is refreshing each day. We will ensure your safety and happiness all through the day.
